

YU HSIENG CHENG

Objectives

Hi, I am Yu-Shieng Cheng. I am currently a student studying at National Taiwan University, and expected to graduate in June, 2021. I major in the Information Management department. With my time on campus, I gain a diversified skill sets that qualify me to become an excellent software engineer. Along with my passion toward this industry and eagerness for learning new skills, I believe I can definitely make a remarkable contribution to the company as a member of this big family.

Education

National Taiwan University
